B. A two person intensive probation team shall supervise no more than twenty-five persons at one time, and a three person intensive probation team shall supervise no more than forty persons at one time.

Arizona Revised Statutes § 13-919 provides:

The requirements of section 13-916, subsection A, subsection B and subsection F, paragraph 2 may be waived for a county with a population of fewer than three hundred thousand persons if the case load of every adult probation officer supervising persons on intensive probation is not more than fifteen persons and the program requires visual contact with each probationer at least one time a week.

Administrative Code § 6-202.01(L)(2) and (3) provide:

2. The presiding judge shall file a waiver request pursuant to A.R.S. § 13-916 with the AOC on a form prescribed by the administrative director. The administrative director shall determine whether to grant the waiver.
